

You're invited to join York Little Theatre in celebrating **independent filmmaking** in Pennsylvania and Maryland.

On **August 19 and 20** of 2011, over 50 filmmakers and video **artists from around the world** will have their works screened before audiences at York Little Theatre.

The community is invited to come, watch, participate, support, and learn about the process of filmmaking and the artists working on bringing their visions to life on screen. Programming will highlight local filmmakers and provide opportunities for actors, filmmakers, and producers to connect, collaborate and help grow the local industry.

We are seeking sponsorship from local businesses to help make our second year as successful a community event as the first. We are looking for people to get involved at a variety of levels, ranging from smaller donations to major sponsorship. With your support, we can make the Prometheus Film Festival a lasting part of the region's rich artistic landscape.

Use this form to indicate how you would like to support the Prometheus Film Festival, and return it to info@prometheusfilmfestival.org. We will be in touch to arrange payment and hand-off of materials.
